# FLOSAVER

## THE CHALLENGE

- City pipes are OVER-PRESSURIZED
- The Utility invoices on VOLUME consumed
- Businesses are OVERPAYING for water

## THE SOLUTION

FLOSAVER Air Reduction and Efficiency Valve

- COMPRESSES the air in the pipes
- REGULATES the flow of water
- REDUCES the pressure coming into the building

## THE RESULTS

- DECREASED consumption
- IMPROVED efficiency
- LOWER water utility bills

## THE DATA

- SAVINGS up to 30% on the Utility Bill
- Reduced consumption up to 6%
- Install times in less than 1 hour
